Subject: Successful Commissioning of Project

We are pleased to inform you that the project executed by **Maya Machinery Pvt. Ltd.** at our site has been **successfully installed, commissioned, and put into commercial operation.**

The scope of work, including engineering, manufacturing, supply, erection supervision, commissioning, and performance stabilization, has been completed satisfactorily in accordance with the agreed technical specifications and contractual terms. The plant/equipment has been operating smoothly and is delivering performance as per design parameters.

We appreciate the professional approach, technical competence, and timely support provided by your project and commissioning team during all stages of execution. Your cooperation and commitment were instrumental in achieving successful commissioning of the project.

This letter may be treated as confirmation of **successful commissioning and handover** of the project from your end.

We look forward to continued association and wish **Maya Machinery Pvt. Ltd.** success in future endeavors.

Thanking you.

Yours sincerely,

For Kalyani Calcium
